COVID 19 STATEMENT

Umodzi Park and Resorts is closely monitoring the Coronavirus (COVID 19) situation following guidance from the Ministry of Health.

The safety and health of our Guests and Staff is our number one priority. The Hotel has taken additional safety and hygiene measures as follows:

- Placed alcohol based hand sanitizers in all our entrances.
- Monitoring the health of our Guests through temperature checks.
- Trained committee formed to drive dissemination of information and ensure response initiatives
- Ensure our team members maintain high hygiene standards.
- Increase cleaning and disinfection frequencies across the hotel.
- Protective face masks and gloves are available.

We are regularly reviewing the information provided to us from health authorities and will update procedures as needed.
